

New Source Review newspaper advertisements for construction permit applications, June 2, 2016. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: May 31, 2016, June 1, 2016, June 2, 2016. Public notices are generally published every two weeks. The previous publication of public notices was May 26, 2016.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532 0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Henry's Cabinets Inc. with a mailing address of 515 Blue Ribbon Parkway, Shelbyville, TN 37160. They seek to obtain an air contaminant permit (Division identification number: 02-0150-01 / 971575P) for the construction of a woodworking and coating operation located at 720 Industrial Parkway, Shelbyville, TN 37160. This operation will consist of saws, coaters, and associated equipment. Cyclones and exhaust filters will be used for pollution control. There would be physical construction. Regulated air contaminants will be emitted by this source. Mr. D. Wright is the assigned Division person.

For the Bedford County "Shelbyville Times-Gazette"-- publish once on Thursday, June 2, 2016.

The applicant is Fayette County EMA with a mailing address of 16885 Highway 64, Somerville, TN 38068. They seek to obtain an air contaminant permit (Division identification number: 24-0118/971506) for construction of a diesel engine at 16885 Highway 64, Somerville, TN 38068. This operation consists of (1) diesel-fired emergency generator engine (60 kW) and associated equipment used to produce power. Due to the amount and type of emissions, the use of control equipment is not proposed. There would be no physical construction. Regulated air contaminants would be emitted by this source. Ms. J. Pratt is the assigned Division person.

For Fayette County "Fayette Falcon"-- publish once on Wednesday, June 1, 2016.

The applicant is Thompson Appalachian Hardwoods, Inc. with a mailing address of 100 Harless Drive, Huntland, TN 37345. They seek to obtain an air contaminant permit (Division identification number: 26-0085-09/71668) for construction of a Steam Generating Operation located at the same address. This proposed operation would consist of two (2) propane-fired boilers and associated equipment used to produce steam for a lumber production facility. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. E. King is the assigned Division person.

For the Franklin County "Herald-Chronicle"-- publish once on Tuesday, May 31, 2016.

The applicant is Summers - Taylor Materials Company with a mailing address of 300 West Elk Avenue, Elizabethton, TN 37644. They seek to obtain a construction permit (Division identification number 30-0074-04/70885) for a Rock Crushing Operation located at 1190 Lonesome Pine Trail, Greeneville, TN 37743. This existing operation is made-up of a portable impact crusher powered by a 441 HP diesel engine, and associated equipment and is used to breakdown the milled asphalt aggregate for on-site reuse. Wet suppression would be used for pollution control. Regulated air contaminants are emitted by this source. Mr. Moe Baghernejad is the assigned Division person.

For the Greene County "Greeneville Sun" -- publish once on Thursday, June 2, 2016.

The applicant is Ingles Markets, Incorporated with a mailing address of 2913 US Hwy 70 W, Black Mountain, NC. They seek to obtain a construction permit (Division identification number: 32-0326-01/71562) for construction of a gasoline dispensing facility located at 3970 West Andrew Johnson Hwy, Morristown, TN. This proposed operation would consist of three (3) underground storage tanks and twelve (12) gasoline nozzles. Stage I gasoline vapor recovery would be used for pollution control. There will be physical construction. Regulated air contaminants would be emitted by this source. Mr. B. Hall is the assigned Division person.

For the Hamblen County "Citizen Tribune"-- publish once on Thursday, June 02, 2016.

The applicant is the Town of Scotts Hill with a mailing address of 85 Highway 114 S., Scotts Hill, TN 38374. They seek to obtain an air contaminant permit (Division identification number: 39-0105/971572) for construction of a natural gas engine at 85 Highway 114 S., Scotts Hill, TN 38374. This operation consists of (1) natural gas-fired emergency generator engine and associated equipment used to produce power. Due to the amount and type of emissions, the use of control equipment is not proposed. There would be no physical construction. Regulated air contaminants would be emitted by this source. Ms. J. Pratt is the assigned Division person.

For Henderson County "Lexington Progress"-- publish once on Wednesday, June 1, 2016.

The applicant is Bush Brothers & Company, Inc. with a mailing address of 3304 Chestnut Hill Road, Dandridge, TN 37725. They seek to obtain air contaminant permits for the following sources:

- (1) Safety Flare (Division identification number: 45-0011-01/71437). This operation consists of four natural gas fired boilers and one biogas fired boiler. The requested modification is to install a flare for venting of excess biogas, when biogas boiler cannot burn all the gas. There would be physical construction. Regulated air contaminants are emitted by this source.
- (2) Emergency generator engines (Division identification numbers: 45-0011-18, -19, -20/71434, 71435, 71436). This proposed operation would be consisting of seven diesel powered emergency generator engines and associate equipment used for generating powers. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Moe Baghernejad is the assigned Division person.

For the Jefferson County "Standard-Banner"-- publish once on Thursday, June 2, 2016.

The applicant is Summers - Taylor Materials Company with a mailing address of 300 West Elk Avenue, Elizabethton, TN 37644. They seek to obtain an air permit (Division identification number 82-0450-03/70884) for construction of a Rock Crushing Operation located at 10250 Airport Parkway, Kingsport, TN 37660. This proposed operation would be made-up of a portable impact crusher powered by a 441 HP diesel engine, and associated equipment and would be used to breakdown the milled asphalt aggregate for on-site reuse. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. M. Baghernejad is the assigned Division person.

For the Sullivan County "Kingsport Times-News"-- publish once on Thursday, June 2, 2016.

The applicant is SEV Mallory I, LLC with a mailing address of 4011 Armory Oaks Drive, Nashville, TN 37204. They seek to obtain an air contaminant permit (Division identification number: 94-0382-01/971377) for a 10 KW diesel emergency engine located at 1573 Mallory Lane, Brentwood, TN 37027. Regulated air contaminants would be emitted by this source. Mr. J. Swinea is the assigned Division person.

For the Davidson County "The Tennessean"-- publish once on Thursday, June 2, 2016.
